

Captain Cook Cruises

4-8 Days

Reef Endeavour

Reef Endeavour is a small ship for 150 passengers, with loads of big ship extra comforts including swimming pool, top deck spa pools, marine naturalist and rainforest guides, glass-bottom boat and dive vessels. Staterooms open onto outside walkways and have picture windows. Superb dining specializing in fresh, local produce is central to life aboard the Reef Endeavour.

Explore the Great Barrier Reef's exclusive islands and shallow bays aboard MV Reef Endeavour with cruises departing weekly from Cairns. Discover the advantages of small ship cruising on a voyage that highlights the extraordinary. Stroll along fringes of white sand and snorkel among a kaleidoscope of fish on the outer Ribbon and Hedley Reefs. Discover Lizard Island's giant clam gardens only steps from the shore. Hear native birds call from the towering rainforest canopy on Dunk, Green and Fitzroy Islands and climb the same lookouts as the first explorers.

Spectacular Lizard Island and deserted coral cays join rich rainforest and a stunning ribbon reef as the unforgettable experiences of the **4-night northbound cruise**.

On the **3-night southbound cruise** guests will experience tropical islands where the rainforest canopy towers overhead, visit reefs where multitudes of colorful fish decorate rich coral gardens and cruise where dolphins play in the Hinchinbrook Channel.

Combine the North and Southbound Cruises for the Ultimate 7-night adventure. Ask about the 7-night Cape York cruise.

Coral Princess Cruises

4-8 Days

Coral Princess

Experience a unique, environmental eco-cruise with personalized service onboard 114-foot catamarans carrying a maximum of 50 passengers on an expedition style cruise. On a 3, 4 or 7-night cruise from Cairns or Townsville, learn from the on-board marine biologist and enjoy the casual atmosphere of this first-class cruise. To complete your journey we suggest either the Tilt or Sunlander train, or take the fly/cruise option which includes a flight between Cairns and Townsville.

Travel on Coral Princess for an unforgettable cruise through the most picturesque islands and coastline in Australia, offering a unique experience of "soft adventure" and expedition-style cruising. Includes 1 1/2 days on the Great Barrier Reef for snorkeling, coral viewing, diving and fish feeding. Enjoy a guided rainforest walk on Dunk Island. Cruise the wilderness area of Hinchinbrook Channel. Visit exclusive Pelorus Island, enjoy water activities, bush and beach

walks and a beach barbeque. A marine biologist provides insight on the reef, rainforest and mangrove environments.

Coral Princess also has a 4-night itinerary north of Cairns, incorporating the historical town of Cooktown, Lizard Island and beautiful Ribbon Reefs. The newly launched "Oceanic Discoverer" offers cruises including Cairns to Darwin and Darwin to Broome (and vice versa).
